Licence No. 9TA 00001

Perth to Albany via Albany Highway

INFORMATION

ROAD SURFACE:
Sealed, bitumen surface. Suitable for all vehicle types.

SAFETY:
The RAC has produced these en route maps as part of its ongoing commitment to assist in the road safety strategy for Western Australia and to provide reliable information for its members. The maps have been designed to enable the motorist to plan ahead, make provision for adequate rest stops and avoid driver fatigue.

MAP COVERAGE:
Detailed maps covering this region are available from RAC branches and online.

Whether you are driving across the city, in the country or even interstate - you and your family are sure to appreciate the value-added protection of RAC Classic or Ultimate Membership. Call 13 17 03 today.
